

MOTION, the USPTO agreed to withdraw a rejection very similar to that of the above-entitled application, and to enter an amendment very similar to that of the above-entitled application. Accordingly, for the same reasons stated in that UNOPPOSED MOTION, the present amendment should be entered.

As the examiner is well aware, prosecution of this and other similar computer screen display design applications was suspended pending the legal resolution of those same legal issues in those other, similar applications, which were appealed to the CAFC and settled by the PTO Office of the Solicitor in favor of the applicant(s) along with the agreed-to entry of similar amendments.

In view of the foregoing Amendment, allowance of the above-entitled application is earnestly solicited.

In the event the Examiner considers personal contact advantageous to the disposition of this case, he is hereby requested to call Applicants' attorney, Gary B. Cohen, at Telephone Number (716) 423-6612, Rochester, New York.

Respectfully submitted,
